Benefits of Early Pregnancy Detection in Dairy cows, sheep & Goat.

Description

In dairy farming, **every day counts**, and every feeding, treatment, or management decision has a cost. Yet many farmers unknowingly spend **months feeding and caring for cows or goats that are not even pregnant**.

That's where **MimbaCheck®** steps in, a rapid, safe, and cost-effective pregnancy test designed for **early detection** in cows, goats, and sheep.

Importance of Early Pregnancy Detection

- . Saves You Money

ð?§ The Hidden Cost of Not Knowing

Did you know it can cost **up to Ksh 83,200 (\$640)** to maintain a cow that turns out to be not in-calf?

Thatâ??s:

- Months of wasted feed
- Missed breeding opportunities
- Delayed milk cycles
- Hidden financial losses

Early pregnancy detection isnâ??t just smart, **itâ??s essential.**

â? What is MimbaCheckÂ®?

MimbaCheckÂ® is a **rapid and reliable pregnancy detection kit** that gives results in just **5 minutes**, starting as early as:

- **Day 25 after insemination in cows**
- **Day 15 after insemination in goats and sheep**

No need to wait for months or rely on guesswork. You can act early, with clarity.

Benefits of Using MimbaCheck®

• Early Pregnancy Detection

Know the status of your animal before investing more

• Improved Reproductive Efficiency

- Quickly re-serve animals that didn't conceive
- Reduces long calving intervals

• Saves Time and Money

- Cuts unnecessary feeding and vet costs on empty animals
- Helps plan your breeding calendar better

• Safe and Easy to Use

- No invasive procedures
- Can be done right on the farm

Why Every Dairy Farmer Needs It

- **For small-scale farmers:** You can't afford wasted feed or long breeding gaps
- **For large farms:** Better herd management, breeding records, and calving intervals
- **For serious breeders:** Faster decision-making, healthier herd cycles, and increased profitability

With **MimbaCheck**, you move from **guesswork to precision**.

Final Word: Don't Wait Months to Know

Every feeding, every dose, and every day you spend on an open cow is a direct cost to your business.

Act early. Save more. Breed smarter.

Choose **MimbaCheck**, **Rapid. Timeless. Trusted.**
